PART 204—ISSUE OF SUBSTITUTES OF LOST, DESTROYED, MUTILATED AND DEFACED CHECKS DRAWN ON THE TREASURER OF THE UNITED STATES

DECEMBER 3, 1945.

Part 204, Subchapter A, Chapter II, Title 31 of the Code of Federal Regulations of the United States of America (appearing also as Treasury Department Circular No. 327 (Revised), dated April 29, 1944) is hereby revised to read as follows:

- Sec.
- 204.0 Introductory.
- 204.1 Advice of nonreceipt or loss.
- 204.2 Request for substitute check; when undertaking of indemnity not required; execution of applications in foreign countries.
- 204.3 Issuance of substitute check.
- 204.4 Receipt or recovery of original check.
- 204.5 Removal of stoppage.
- 204.6 Amendment of regulations.

AUTHORITY: §§ 204.0 to 204.6, inclusive, issued under R. S. 3646, as amended by the act of December 3, 1945.

§ 204.0 *Introductory.* This part governing the issuance of substitutes of checks drawn on the Treasurer of the United States other than those drawn by officers or employees of the Post Office Department is hereby established pursuant to the provisions of section 3646 of the Revised Statutes of 1873, as amended (Public Law No. 243, 79th Congress). The requirements contained herein must be strictly observed except as the Secretary of the Treasury, being satisfied that observance thereto is not necessary to carry out the purposes of the law and this part may waive or modify any such requirement.

§ 204.1 *Advice of nonreceipt or loss.* In the event of the nonreceipt, loss, or destruction of a check drawn on the Treasurer of the United States, or the mutilation or defacement of such a check to an extent which renders it nonnegotiable, the owner, better to protect his interest, should immediately notify the

¹ The introductory paragraph of Treasury Department Circular No. 327 (Revised), dated December 3, 1945, corresponds to § 204.0 of this part, and secs. 1 to 6, inclusive, of that circular correspond respectively to §§ 204.1 to 204.6, inclusive of this part.

drawer, describing the check, stating the purpose for which it was issued, giving, if possible, its date, number and amount, and requesting that payment be stopped. If the name or address of the drawer is not known the request for stoppage of payment should be sent to the Treasurer of the United States, stating the purpose for which the check was issued, the name of the Department or Agency authorizing the payment and if possible, the date, number and amount of the check. In cases involving mutilated or defaced checks the owner should enclose the mutilated or defaced check with his communication to the drawer or Treasurer.

Upon receipt of advice from an owner as to the nonreceipt, loss, destruction, mutilation, or defacement of a check the drawer will, if appropriate, transmit the owner's letter (together with the mutilated or defaced check in cases involving such checks) to the Treasurer of the United States, Washington 25, D. C., or the Federal Reserve Bank through which the check is payable, as the case may be, together with (1) a request by the drawer for stoppage, (2) a certificate as to the accuracy of the check description contained in such request for stoppage, and (3) a statement that the check was properly issued.

Where such a check is determined to be outstanding, the Treasurer's Office will furnish the claimant an appropriate form for obtaining a substitute check.

§ 204.2 *Request for substitute check; when undertaking of indemnity not required; execution of applications in foreign countries.* An undertaking of indemnity (Form 2244) in a penal sum equal to the amount of the check or, in an appropriate case, an application (Form 2244a), in substantially the form prescribed, must be executed by the claimant and submitted to the Chief Disbursing Officer, Treasury Department, Washington 25, D. C.² In the event the claimant is someone other than the payee of the original check he should present clear and satisfactory evidence of his ownership.

Unless the Secretary of the Treasury deems that an undertaking of indemnity is essential to the public interest, no undertaking of indemnity shall be required in the following classes of cases:

(a) If the Secretary of the Treasury is satisfied that the loss, theft, destruction, mutilation, or defacement, as the case may be, occurred without fault of the owner or holder and while the check was in the custody or control of the United States, including the Postal Service when carrying mail for an officer, employee, agent, or agency of the United States when performing services in connection with an official function of the United States, but not including the Postal Service when otherwise acting solely in its capacity as a public carrier of the mail, or of a person thereunto duly authorized as lawful agent of the United States; or while it was in the course of shipment effected pursuant to and in accordance with regulations issued under

the provisions of the Government Losses in Shipment Act, as amended;

(b) If substantially the entire check is presented and surrendered by the owner or holder and the Secretary of the Treasury is satisfied as to the identity of the check presented and that any missing portions are not sufficient to form the basis of a valid claim against the United States; and in cases where the circumstances justify such action, a letter of application may be accepted in lieu of Form 2244a;

(c) If the Secretary of the Treasury is satisfied that the original check is not negotiable and cannot be made the basis of a valid claim against the United States;

(d) If the amount of the check is not more than \$200.00 and the check has not been endorsed by the payee;

(e) If the owner or holder is the United States or an officer or employee thereof in his official capacity, a State, the District of Columbia, a Territory or possession of the United States, including the Commonwealth of the Philippine Islands, a municipal corporation or political subdivision of any of the foregoing, a corporation the whole of whose capital is owned by the United States, a foreign government, or a Federal Reserve Bank.

An application (Form 2244a) executed in a foreign country, by one other than an officer or an employee of the United States, or a member of the Armed Forces of the United States, shall be sworn to before (1) a diplomatic or consular officer of the United States, or (2) an officer of the United States Army, Navy, Marine Corps, or Coast Guard, or (3) an official of such foreign country authorized by law to administer oaths generally, and such foreign official shall affix his official seal, if any, and a diplomatic or consular officer of the United States shall certify that the foreign official who administered the oath was duly authorized under the laws of such foreign country so to act.

§ 204.3 *Issuance of substitute check.* Upon approval of the undertaking of indemnity (Form 2244) or application (Form 2244a), and before the close of the fiscal year following the fiscal year in which the original check was issued, the Treasurer of the United States will transfer the amount of the original check from the account of the drawer to a Special Deposit Account carried in the name of the Secretary of the Treasury. A substitute check payable from the Special Deposit Account will be issued in favor of the claimant under current date and showing such information as may be necessary to identify the original check. In the case of checks issued on account of public-debt obligations and transactions regarding the administration of banking and currency laws substitutes may be issued without limitation of time.

§ 204.4 *Receipt or recovery of original check.* If the original check is received or recovered after the owner has requested the drawer or the Treasurer of the United States to stop payment on the original check but before a substitute check has been received, he should immediately advise the drawer or the

Treasurer, as the case may be, that the stoppage request may be disregarded.

If the original check is received or recovered after a substitute has been received, the original shall not be cashed, but shall be immediately forwarded to the Division of Disbursement, Treasury Department, Washington 25, D. C., for cancellation. Under no circumstances should both checks be cashed.

§ 204.5 *Removal of stoppage.* Requests for removal of stoppage shall be addressed by the drawer to the Treasurer of the United States, or the Federal Reserve Bank through which the check is payable, as the case may be. The drawer shall immediately advise the Chief Disbursing Officer, Treasury Department, Washington 25, D. C., of any such request made by him. No request for removal of stoppage shall be honored by the Treasurer of the United States or any Federal Reserve Bank after the receipt of advice from the Chief Disbursing Officer that a substitute check is in the course of preparation.

§ 204.6 *Amendment of regulations.* The Secretary of the Treasury may withdraw or amend at any time or from time to time any or all of the foregoing rules and regulations.

Previous regulations superseded. This circular supersedes Treasury Department Circular No. 327, dated April 29, 1944, and all previous regulations governing the issuance of duplicate checks.

Acting Secretary of the Treasury.

PART 1305—ADMINISTRATION

[Supp. Order 24, Amdt. 4]

PACKAGED CHRISTMAS GIFTS

A statement of the considerations involved in the issuance of this amendment, issued simultaneously herewith, has been filed with the Division of the Federal Register.

The introductory text of Section 1305.28 (a) is amended to read as follows:

(a) This Supplementary Order No. 24 provides temporary rules for determining maximum prices for sales at wholesale and retail of articles which are "specially packaged" for the 1945 Christmas season by the manufacturer, producer, processor or fabricator (but not by any retailer or wholesaler). These rules shall not apply to sales which take place after January 15, 1946, nor shall they apply to any sales subject to the provision of Maximum Price Regulation Nos. 421,¹ 422,² and 423.⁴

Section 1305.28 (a) (2) is amended to read as follows:

(2) *Rule 2.* The package and its contents may be treated as a single commodity and its maximum price determined in accordance with the pricing provisions of § 1499.3 (a) of the General Maximum Price Regulation if (i) the packaging consists of material other than paper or ordinary cardboard, and is of a type which would normally carry a combined price for the contents and packaging higher than the price at which the contents would be sold without special packaging, or if (ii) the package contains an article or articles all or any of which are not regularly sold by the "seller" in seasons other than the Christmas season. The price so determined shall be subject to adjustment at any time by the Office of Price Administration but it need not be reported as required in the case of other commodities priced under § 1499.3 (a) of the General Maximum Price Regulation.

This amendment shall become effective December 10, 1945.

Issued this 5th day of December 1945.

The base period for such dealers shall be the two year period ending April 30, 1942. The "quota" for a dealer in any calendar year shall be 50 percent of his sales as a dealer of imported and domestic broken or granulated rice during the base period.

[Paragraph (a) amended by Am. 7, 10 F.R. 4910, effective 4-30-45]

(b) The maximum price for sales of broken or granulated rice by a dealer, not in excess of his quota, shall be the maximum price as set forth in section 9 of this regulation, plus 15 cents per 100 pounds, plus in each case the inbound and outbound transportation costs actually incurred by the dealer. The maximum price for sales of broken or granulated rice to industrial users by a seller in excess of his quota shall be his supplier's maximum price, plus the inbound and outbound transportation costs actually incurred by him.
